Dear Dr. Burckhardt:

I was glad to have your letter of June 23, 1960, in reply to our inquiry of June 20 regarding material relating to Adolf Eichmann.

I note from the final paragraph of your letter that some documents are at hand in your archives, signed by Eichmann "in Auftrag", which relate to deportation of Jews from Western Germany in 1942-1943. I would be glad to know how extensive this material is and whether it would be possible for us to secure photostatic copies of these particular documents.

Very truly yours,

James S. Beddie
